

January 2021, is moving along quickly and I hope everyone is doing well. The LaSolana Annual Board Meeting will be held on February, 23rd, 2021, 10:00am via Webex. I would encourage everyone to try and attend this very informative meeting. The Board will be electing their officers and presenting their 2021 goals along with the end of year financial report. ***Please return your election ballots by February 19th. Please read the friendly reminders below;***

Jan Smith, LaSolana Board President

Due to recent theft occurring on our property, **please lock your car doors, tightly secure your golf cart, and refrain from leaving anything of value.** The only way we are able to discourage such thefts is by not leaving anything of value in the glove boxes of your golf carts and anything that looks inviting that can be seen through car windows

GOOD NEIGHBORS

We all want to be good neighbors; just a few reminders:

1. Speed limit on property is 15 mph.
2. Pets on leash at all times.....**pickup MANDATORY!!! Be a responsible pet owner please!!!!**
3. Boxes must be broken down for recycle bin and glass put in regular garbage bin.
4. Please do not move the pool furniture!!! 6 feet social distancing. Thank you!
5. Please clean the Bar-B-Que after use. Need to bring your own utensils for cooking.
6. Watch the lines in the parking lot and spaces, use your parking space properly as a courtesy to your neighbors space.....
7. Please close building doors after entering and exiting. **Entrance doors closed at all times.**
8. **Since many of us come from free standing homes and are now sharing walls with neighbors, please be considerate as to when to do laundry, house cleaning, showering, etc. Sound is magnified to others living around you. Your consideration goes a long way and is appreciated. Noise carries easily especially in the early morning hours and later in the evening.**

The property here at LáSolana continues to have on-going issues with dog owners to take full responsibility to **PICK UP AFTER THEIR DOG!!!** This reminder has been posted several BLASTS and even on each building door. It's very frustrating for responsible pet owners to pick up their dog's waste and can not understand to why everyone pet owner can't. There are 3 pet waste stations around the property for pet owners use and bags are supplied. There is **NO EXCUSE** to why this continues to take place. It has been a friendly reminder up to NOW and enough is enough. **BE RESPONSIBLE AND PICK UP AFTER YOUR PET, VERY REASONABLE REQUEST!** In fact this shouldn't even be an issue, if you had a home you would have to pick up after your pet.

One would hope that you consider this your home as well. **The pet waste can not be blamed on a coyote as their waste is completely different than dogs.**

Meow, Bark!
