

LaSolana Update October 2020

Pool

The LaSolana pool remains open for your daily use. Max of 10 people in the pool itself and an additional 14 utilizing the chairs surrounding the pool area. Chairs must remain at their current locations and everyone must follow social distance guidelines. No guests are permitted unless they are actually staying at your unit. Please be courteous of others.

Clubhouse

The Clubhouse is closed for the time being. One exception is on Tuesdays and Fridays from 10:00 am to 12:00 pm, library and computer room will be open. Limited to 1 person at a time in the library to obtain books and/or puzzles to take home and in the computer room. Maximum time of 30 minutes per person in the computer lab as computers will need to be sanitized after each use. Contact the office to reserve a time in the computer lab. A committee has been formed to develop guidelines to safely open the Clubhouse in the future.

Social Activities

Unfortunately, Social activities which are normally scheduled have been canceled until the first of the year. At that time, social activities will be reconsidered depending on the COVID-19 situation. LaSolana has so many inviting grassy areas to use for your social time with friends while still maintaining social distancing. It's easy, bring your chair, your beverage of choice and enjoy conversations with friends and other residents. Remember to wear your mask and sanitize as necessary.

Security

The Security at the LaSolana community is extremely important to all of us here. The HOA Board is taking the current situations quite seriously and are in the process of developing a security plan to make our community safer. What is being considered is the Neighborhood Watch Program, better lighting and the possibility of new video cameras for the community. A committee has been formed involving residents to assist with the Neighborhood Watch Program and to have the opportunity to provide resident input to be considered to the Board. Your voice will be heard!

Outdoor Games

The Board approved the concept of having outdoor games for our residents. Games include Cornhole toss croquet, etc. Dallas Reynolds, VP, made the Cornhole boards and Cindy Carlson made the bags to toss. In order to enjoy these outdoors games, we need to develop guidelines to assure the COVID-19 precautions and procedures are followed in order to play these games. When the temperatures finally reach a comfortable level the guidelines will be written and when to start playing these outdoor games will be announced.

Returning Residents

We are so looking forward to our winter resident returning to our community and to Arizona. Several residents are inquiring about if there will be a quarantine period upon return. The answer is no, however, we do ask that everyone on property to wear a mask and practice social distancing. To date everyone has done their part to maintain a safe and COVID free environment. Let's keep it just that way by doing our part.

Protect Our Staff

When having interactions with Patti and Mike please maintain social distancing and wear your mask properly. They are willing to help or assist you with what you need; however, they deal with multiple residents throughout the day and we must do our part to protect them as they will protect you.

SCG Update

SCG is continually assessing their response to the virus. Many of their outdoor activities such as golf, pickleball, bocce ball, etc. are open, maintaining social distancing and sanitizing as necessary. SCG is opening other facilities as they deem it's safe to do so. In order to obtain the current openings and happenings at SCG please refer to the SCG website.

Website Update

Our new website is LaSolanaLiving.com, thanks to Larry Truett for all the hours he put in developing it for our community. The old website will be discontinued in March of 2021. To get all the current updates and information about your community please utilize the new website.

Board Meetings and Workshops

We will continue to use Webex for all meetings until further notice. The dates for October and November are as follows:

October Board Meeting – October 20th at 10:00 am

October Board Workshop – October 29th at 10:00 am

November Board Workshop – November 12th at 10:00 am

November Board Meeting – November 17th at 10:00 am

Thank you for keeping our community healthy and safe by social distancing and wearing your mask!
